

Important Visa Information

Almost a month away from our conference opening, we strongly recommend to apply for a tourist visa through a local travel agency in your area. It is quicker and easier to obtain a tourist visa than to get a visa through the Japanese Embassy and Consulate.

Please note that in order to complete your visa application through the Japanese Embassy and Consulate, you do need an official invitation letter AND other relevant documents from organizer.

These documents will be provided after you complete your registration payment and submit a filled-out visa questionnaire that includes necessary information.

For general information on visas, visit the Japanese Ministry of Foreign Affairs
