Greetings from Organizers!

Dear colleagues and friends,

We are pleased to inform you that one of our program offerings is a keynote lecture by world-renowned immunologist Dr. Shimon Sakaguchi. Sakaguchi, an immunologist renowned for his discovery of regulatory T cells, has been instrumental in shaping our understanding of the immune system.

Keynote Speaker

Shimon Sakaguchi
Professor, Kyoto University, Japan

Sakaguchi is an immunologist best known for his discovery of regulatory T cells and has been acknowledged for this by winning international awards.

Invited Speakers

This year, we have an exciting lineup of speakers from various fields of immunology and allergy. Please check out the list below:

Immunology

- Minisaka Nakazato, Japan
- Hiroshi Okumura, Japan
- Toshiaki Kanazawa, Japan

Skin Allergy

- Masai Harada, Japan
- Masaki Sugiyama, Japan
- Masanobu Shimizu, Japan

Food Allergy

- Masato Takeda, Japan
- Masahiro Furusawa, Japan
- Masayuki Tanaka, Japan

Basic Science

- Masahiro Suzuki, Japan
- Masakazu Tanaka, Japan
- Masayuki Obara, Japan

Eosinophils and Related Diseases

- Masayuki Seki, Japan
- Masayuki Hasegawa, Japan
- Masahiro Ohnishi, Japan

Environmental Factors

- Masayuki Furumichi, Japan
- Masayuki Tanaka, Japan
- Masayuki Hasegawa, Japan

Travel Grants and Presentation Awards

We are pleased to offer travel grants to high-quality young scientists from diverse geographic regions who wish to attend the JSNANO Congress in Kyoto, Japan.

The following travel grants are available:

- Asia
- Europe
- North America
- Latin America

Accommodation up to 4 nights will be provided by the organizer.

Eligibility to apply for travel grants

- Be a first author of an abstract
- The total amount cannot be increased under any circumstances

Travel grant recipients will be announced in June.

Presentation Awards

There is an opportunity to be considered for the JSNANO Congress Best Oral & Poster Presentation Awards. All tree papers will be eligible for the awards. Look forward to your scientific contributions!

Call for Abstracts

Abstract submission opens on September 24, 2019. We look forward to your submission!

Deadline to submit: March 23, 2020

Topics

1. Asthma (Adult)
2. Allergy (Child)
3. Autoimmune Diseases
4. Immune Deficiency
5. Dermatitis
6. Infections of the Lower Respiratory Tracts
7. Medications
8. Pulmonary Function
9. Environment
10. Public Health
11. Environmental Contaminants
12. Endotoxins and Environmental Diseases (EED)
13. Drug Hypersensitivity
14. Anaphylaxis
15. Allergy Prevention and Risk Factors
16. Anaphylaxis
17. Malnutrition
18. Anaphylaxis
19. Microbes and Microbial
20. Air Pollution and Environmental Allergens
21. Education and Allied Health
22. Microbiome
23. Case Report
