Preparations

Lectures at this congress will be delivered using the Zoom cloud meeting app.

- ◆ Internet connection

Broadband wired (LAN cable) connection is preferred.

- ◆ Make sure you join the session from a quiet environment that has minimal background noise.

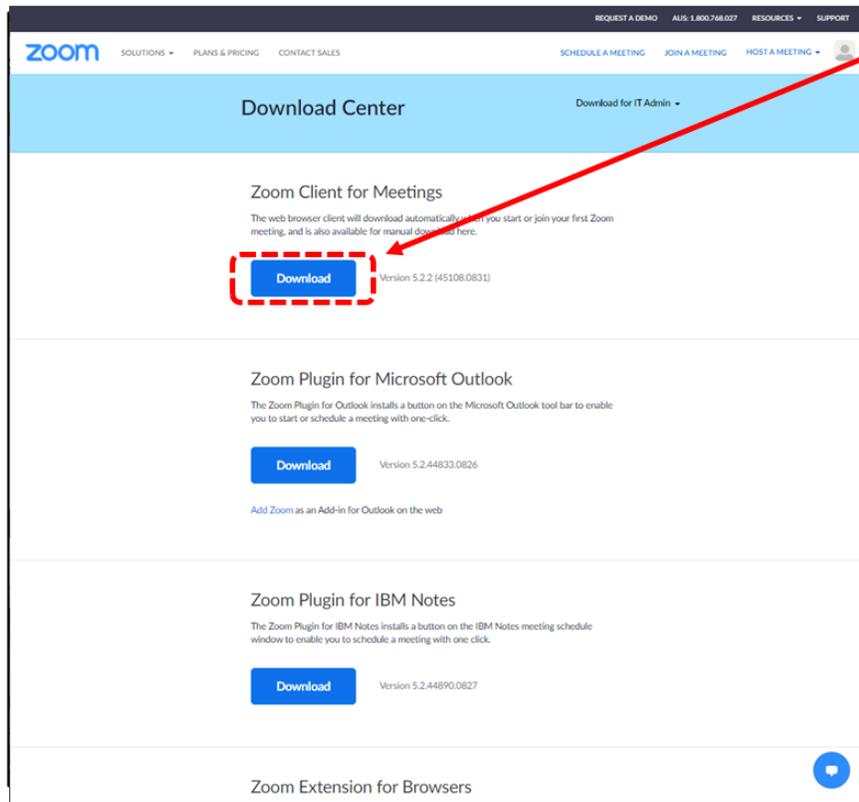

- ◆ Please check that your computer is equipped with webcam, microphone, and speaker/earphones. We strongly advise you to use earphones with a microphone or a headset.

- ◆ **Shut down all background applications** (e.g., Skype) on your PC to ensure that Zoom operates smoothly and there are no pop-up notifications during the session.

Installing Zoom

- ◆ Download the app from the official Zoom website (URL below).

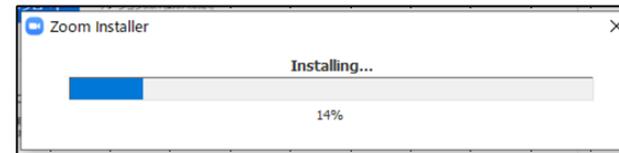

<https://zoom.us/download>

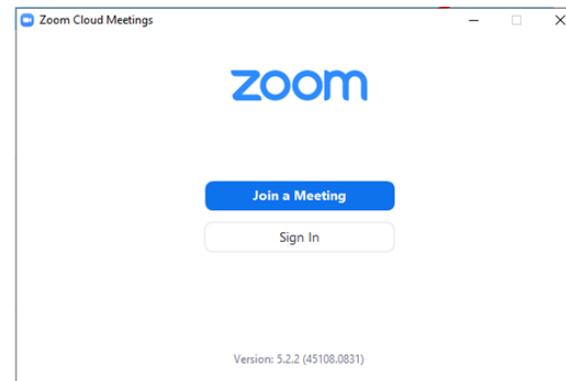

- ◆ Click here to download and install the app

The following window will appear during installation

Installation is complete once the following window appears

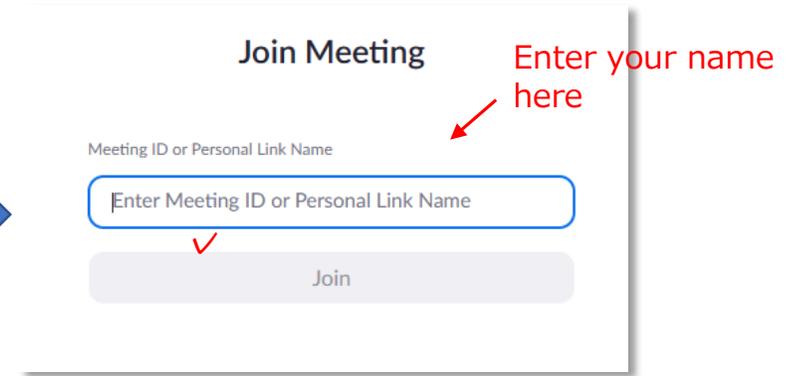

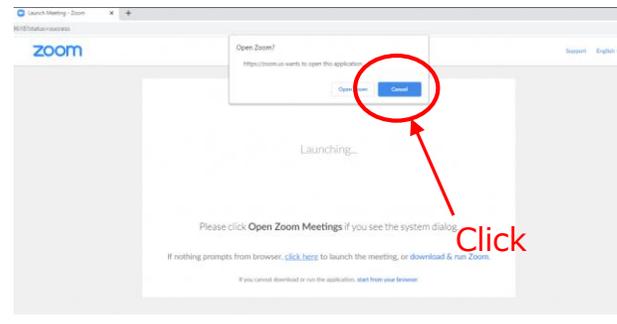

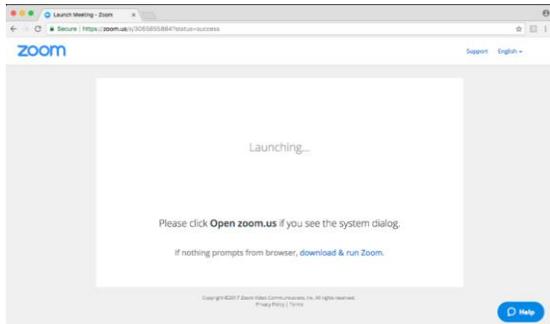

- ◆ Please test your camera and microphones from the following website.

<https://zoom.us/test>

Using Zoom (joining an online meeting)

- ◆ Before the congress, the Congress Secretariat will email you an invitation with a special URL for presenters.
- ◆ Please log-in by clicking the URL **30 mins before the session starts**.
- ◆ Note: Please do not click the URL other than the designated date/time since other sessions may be held.

How to Log-in to Zoom

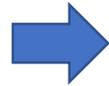

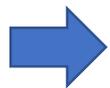

1. Click the URL for your Session

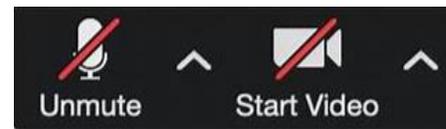

2. Click "Start Zoom Meeting"

3. Enter your name and

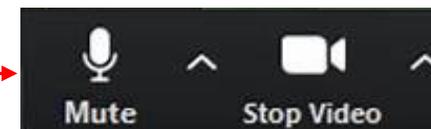

Click "I am not a Robot"
