

Clinical Simulation Program  
- Organized by ILLS Single Topic Conference, Kyoto 2024

# Laparoscopic Left Hemi-Hepatectomy Clinical Simulation Course in Narita

**Date** | **Sep.28th (Sat.) -29th (Sun.), 2024**

**Venue** | Accommodation **ANA Crowne Plaza Narita**  
<https://www.anacrowneplaza-narita.jp/en/>  
Lab Facility **IVTeC Narita Lab**  
200-14, Shinden, Narita-City, Chiba, Japan

Sponsored by Integra Japan K.K.

Clinical Simulation Program  
**Laparoscopic  
 Left Hemi-Hepatectomy**

**Dorsal Approach -**

A novel method for hepatectomy where glissonean pedicles and hepatic venous systems expand in a relative methodical fashion, allowing surgeons to perform controlled, safe and blood free resection of the parenchyma.

**What You Will Experience -**

Although a long established method in some some regions of the world, anatomical hepatectomy along inter-segmental planes is still not widely adopted and thorough this training course you will get first hand experience on how anatomical hepatectomy is performed.

## Schedule

### Sep. 28th (Sat.)

	Hotel Check In	Memo
16:30	Anatomical Hepatectomy by CUSA Pt.I - Adnan Alseidi MD(TBC)	
17:00	Anatomical Hepatectomy by CUSA Pt. II - Daniel Cherqui MD(TBC)	
17:30	Anatomical Hepatectomy by CUSA Pt. III - Goro Honda MD	
18:30	Welcome Dinner	ANA Crowne Plaza Narita

### Sep. 29th (Sun.)

	Breakfast	ANA Crowne Plaza Narita
	Check Out & Relocate to IVTeC Narita Lab	
9:30	Overview and Anatomy Lecture	
10:00	Port Insertion and Pringle Maneuver Preparation	
10:30	Laparoscopic Hepatic Left Lateral Segmentectomy	
	Lunch Break	Lunchbox
13:00	Laparoscopic Left Hepatectomy	
16:30	Closing Remarks	

## Entrance Criteria

Must have experience of 30 or more cases of laparoscopic hepatectomy.

## Entry Fee

Early Bird      **¥70,000 JPY**

Full Entry Fee **¥80,000 JPY**

Included in the Entry Fee

**Meals :** [Sep. 28] Welcome Dinner at Hotel,  
[Sep. 29] Breakfast at Hotel, Lunchbox

**Accommodation :** [Sep. 28] 1 room per person at  
ANA Crowne Plaza Narita for 1 night

**Transportation :** [Sep. 29] ANA Crowne Plaza Narita →  
IVTeC Narita Lab → Narita Airport

Clinical Simulation Program  
**Laparoscopic  
Left Hemi-Hepatectomy**

## Application Form

Please apply through ILLS 2024 homepage.
