International student in Japan	Can only register on day of meeting	JPY 6,000	Prescribed certificate*
Participant from overseas (excluding international students from Japan)	JPY 35,000 (1 free registration per group of 10 pax)	JPY 40,000	—

\*Certificates are also required for exchange students in Japan. Please download the certificate form, fill the necessary fields in, and either upload the form into the system or submit it at the Registration Desk.

\*Pre-registration (early bird) is closed.

\*International students in Japan must present the prescribed certificate. The certificate can be downloaded from the website. Please have the head of your institution certify your qualification by signing and affixing their seal in the “Head of Institution” section on the certificate. Please note that unless you present the certificate, you will not be eligible for the relevant registration fee.

\*Your name card, certificate of participation and receipt can be downloaded from the “My Page” portal.

\*Printed programs will be distributed inside the venue. (Distribution will cease once all programs have been distributed.) To check the abstracts, please use the Viewer Portal Site.

- On the day of the meeting or the day before please register at the on-site Registration Desk.
- The times and location for on-site registration are as follows. On Day 1, the Registration Desk will be very crowded during the morning. For your convenience, the Registration Desk will also be open on the day before the meeting.

#### Times and location for registration:

Date	North 2F, Foyer PACIFICO YOKOHAMA
Pre-meeting, Mar 25 (Thu)	15:00-19:00
