

Information for Chairs and Speakers

Remote Participation

- Please enter the designated Zoom page. The access time is different per session, so please be sure to check the guidance information sent to you by the Secretariat.
- The operator will play the presentation data (with audio attached), submitted in advance by the speakers, during the session. The speakers will asked to be present online-live during the QA segment.
- Please be sure you follow the session time and make sure not to be late.
- Refer to the below information for details on the presentation, discussion and language.

Poster removal times	11 : 55-12 : 55	18 : 45-19 : 45	12 : 15-13 : 15	17 : 30-18 : 30	13 : 40-14 : 40

Remote Participation

- Viewers may ask questions regarding your presentation over the viewing site, so the speakers can access and answer the question from the site (with the access information sent by the Secretariat).
The questions sent by the viewers will also be sent to the inbox of the speaker's registered email address. Please be sure to take advantage of this function.
